PROJECTIONS

Two short films by Saodat Ismailova - **Celestial Circles** and **Haunted** - as well as the short musical video **Schatten von Gulli** by Nicolas Wiese with music by Aziza Sadikova, are projected between the pieces.

The goal is to immerse the public in the different universes of young Uzbek artists, and to let people draw their own parallels between them. As introduction of the evening, an open discussion: Igor Iofe and Aziza Sadikova will present their pieces and will talk about their experience as Uzbek composers, while the public can ask their questions.
